

Education is our passport to the future, for tomorrow belongs to the people who prepare for it today. We LCITians practice the philosophy of continuous improvement and strive to get a little better every single day.

This Annual School Report speaks about the effervescent and epic fiesta of jewel and a humble and modest flight of our young LCITians. It reveals their wondrous talent before you.

Teachers play a pivotal role in shaping and nurturing the young minds. Our institution has a strong team of 90 trained teachers and 22 supporting staff. They are not only big I number but are big in their potential, extremely dedicated and always aim at giving their best.

So to keep them updated and enhance their teaching and learning techniques, many workshops were held :

1. On 10th and 11th June workshop by Mr. Jagdish Chandra on Classroom Management.
2. On 15th June workshop by Ms. Muneera Dhamani on Stress Management.
3. Workshop on Experiential Learning and Moduling structure by CBSE.
4. Teachers participated in workshop in KPS Koni on Innovative Pathshala.
5. Orientation Program of the Lead Collaborator Principal under Hubs of Learning by CBSE.
6. Ms. Soumi Paladhi (TGT Science) participated in Innovative teaching aids Competition held in DPS, Ranchi.

Every kid starts out as a natural born scientist. As educators we need to give them the courage to explore the weave and structure of cosmos. Our students actively participated in Regional level science exhibition conducted by CBSE at N H Goel World School, Raipur under the guidance of Ms. Soumi Paladhi. Ms. Mahi Tripathi and Ms. Tulika Yadav exhibited their study project on "Affect of fenugreek on lactating mothers" and Master Suhail Qureshi and Master Ashutosh Tiwari on "Sustainable Water Conservation."

LCIT feel honoured to mention that CBSE gave us the opportunity to organize Far East Zone Archery Competition 2019-20 where 13 schools and 80 participants participated. With great efforts of the team of LCITians we were succeed to bring the laurels to the school.

Under the flag of Hubs of Learning the school organized Basketball Competition (Boys). As the school motivates the young kids to explore their creative mind, we have sent the students to Gurughasidas University where scientists from ISRO took a workshop for young minds.

Students' knowledge and their exploring the world is our main focus. In order to maintain that we in collaboration with HarperCollins organized a workshop for students on Cyber Security. The renowned cyber security expert Mr. Rakshit Tandon was the spokesperson for the workshop. We have also organized a workshop on Sex Education' and Good touch and Bad touch by Dr. Aishwarya.

LCIT Public school is also concerned about the health

of its students so it organizes health check ups twice a year.

Our school celebrated some important days like

- Rashtriya Ekta Diwas, Swachhata Pakhwada, celebrating the linguistic diversity of India, Observing Vigilance Awareness, National Integration week, World Aids Day, Tree Plantation Day, National Girl Child's day and Navy Day.
